

Former 98 Degrees Member, Jeff Timmons Supports Author Sandy Lo on Hard Cover Edition of “The Dream Catchers Series”

Autographed Copies Will Be Available at www.sandylo.com

October 19, 2011—Nashville, TN—Author, Journalist & Blogger, Sandy Lo will release her first hard cover book on November 22, 2011. Lo has decided to package a special edition of **THE DREAM CATCHERS SERIES**, which will include all three parts of the series: **Dream Catchers** (2010), **Breaking The Moon** (2011) and **Expressions** (2011). Now fans of the series will be able to get this collector’s edition in time for the holidays. Sandy Lo will also be selling autographed copies directly from her website along with a copy of “**Haley’s Letter**”, the original song from **Dream Catchers**. Details on pre-ordering the autographed edition will be on www.sandylo.com soon.

Sandy Lo has made it known how much music has influenced her characters and plots. To emphasize that, she is including a list of songs she listened to while writing **THE DREAM CATCHERS SERIES**, which ranges widely from 30 Seconds To Mars to Miranda Lambert. To make this collection even more special, singer/producer **Jeff Timmons**, of **98 Degrees** fame, has written the forward. “Jeff Timmons has been such a big supporter of everything I’ve done over the years, just like I’ve been a huge fan of his,” says Sandy. “To have him enjoy my novels as much as I enjoy his music blows my mind. I’m honored to have him write the forward to **THE DREAM CATCHERS SERIES**. He’s an amazing person and a gifted entertainer.”

Currently, **Dream Catchers** and its sequel, **Breaking The Moon** are available on Amazon.com & Lulu.com in paperback and Kindle formats while **Expressions** is only available for Kindle/Ebook.

The series followed up the success of Sandy Lo’s debut novel, **LOST IN YOU** which she states in the acknowledgments was heavily influenced by her love for Timmons’ group, 98 Degrees and **Backstreet Boys**.

Lo announced earlier today on Facebook/Twitter that **LOST IN YOU** is now receiving distribution at barnesandnoble.com, Nook, and the Apple store. “Being a self-published author is not exactly a straight shot to the New York Times Best Sellers’ List, as you can imagine,” Sandy explains. “But I’m willing to work my way there, one sale at a time. I’ve wanted to get my books on Barnes & Noble for a while, and with **LOST IN YOU**, that’s finally happened. Hopefully **THE DREAM CATCHERS SERIES** will follow suit,” she says. “I’m just thankful for every person willing to give my books a shot. The support I have from friends, family, fans and some awesome entertainers is amazing and I appreciate every opportunity I’ve been blessed with.”
