

For Immediate Release

EDVIN ORTEGA STARS IN AWARD-WINNING COMEDY “THE JERSEY DEVIL” AVAILABLE OCTOBER 27th

Cuban-born triple threat, **Edvin Ortega** (*Orange Is The New Black*) stars in “The Jersey Devil”, directed by Joseph Pepitone and also starring Chris Mulkey (*Captain Phillips*), Jack Mulcahy (*Porky’s*) and Penelope Lagos (*Stuck In the Middle*).

“*The Jersey Devil*” is about a new devil taking over for Lucifer – James Burnett (Keith Collins), who has new ideas to improve Hell’s reputation. One of those things is to relocate Hell somewhere else. He enlists a devil’s advocate—literally—Richard Cooper (Edvin Ortega) and his beautiful sidekick Tori (Penelope Lagos), who scout out a new home for hell, eventually settling on New Jersey. However, Lucifer (Jack Mulcahy) and his wife, Eve (Rosie Gunther) want to put an end to James’ plan.

Winning “Best Comedy Feature” at Atlantic City Cinefest, “*The Jersey Devil*” is bound to make you laugh. Ortega delivers his portrayal of loyal and slightly dim Richard with gusto! His rising star is sure to see more comedic roles in the future.

“*The Jersey Devil*” opens in theaters on October 27th and is now available for pre-order on Amazon: <http://amzn.to/1iPYK04>
